Sertoman of the Month Tom Harnack

I was born on "All Saints Day", 1941, life started with a bang, I was baptized the day Pearl Harbor was bombed. I attended Lincoln Grade School, Central Jr. High, and Rochester High thru 11th grade and was the 1st class to graduate from John Marshall in 1959. I then to Rochester Junior College (downtown) and graduated in 1961 with an AA in business. As a senior at age 17, I signed with the Navy. At that time you had the draft. You could join the service and go, take the draft or you could continue with school (deferment) and go later. I went in after RJC and spent 3 1/2 years with Navy Air. Connie and I have been married 43 years, have 4 daughters and 8 grandchildren. Sertoma history: was mugged by Jule Block, Lee Graham and Coach Scheid in 1968. Elected to board in 1969, Vice President in 1970 and President in 1971. Played softball with the club for 27 years. Was very involved with the Sertoma Regional Conventions in Rochester in 1984 and 1997. Question: What was big about the Convention in 1984? Bring your answers to the next meeting. Business: Dad started Harnack's Furniture & Carpet 1951 (NW Rochester) moved to Broadway location in 1955, Brother Gene and I joined him later, Gene and I bought Dad out, I bought Gene out and on April 5, 2005 I sold to Kelly Furniture (Monk Enterprises). Most asked question: How do you like retirement? it is wonderful. Spare time: Family first, fishing, hunting, camping, bowling, golfing and more. The picture is from land, near Caledonia, 40 acres of woods that we play in. Anyone in need of firewood? I am building a huge supply. Word for Sertoman's new and old: Get (stay) involved, volunteer to do things, you can never do too much for the Club.

Other Stuff

If a statue in the park of a person on a horse has both front legs in the air, the person died in battle. If the horse has one front leg in the air the person died as a result of wounds received in battle. If the horse has all four legs on the ground, the person died of natural causes.

The first couple to be shown in bed together on prime time TV was Fred and Wilma Flintstone.

In English pubs, ale is ordered by pints and quarts...so in old England, when customers got unruly, the bartender would yell at them "mind your pints and quarts, and settle down" That's where we get the phrase "mind your P's and Q's."

Don't ignore this just because it looks weird. Believe it or not, you can read it.
